Produktinformationen "KC-ONPREM"

Enterprise-class AV control with the security and reliability of a fully offline, locally managed system.

• Full Offline Operation

Operates entirely on your local network, ensuring maximum data privacy and security.

- No internet connection is required.
- Ideal for high-security environments or locations.

• Effortless Configuration and Personalization

Intuitive drag & drop Kramer Control Builder for easy system design – no code required.

- Start with predefined, space-specific templates and easily customize to your needs.
- Design, configure, and modify control systems without complex programming.

• Comprehensive Control Capabilities

Configure all in-room AV and automation controls from a single interface.

- Extensive library of device drivers for seamless integration.

• Fast Deployment

All updates and management done locally, ensuring full control over system changes.

- All provisioning & Publishing is also done offline.
- No automatic cloud updates, preserving the integrity of your offline environment.

• Local Updates and Management

All updates and management done locally, ensuring full control over system changes.

- All provisioning & Publishing is also done offline.
- No automatic cloud updates, preserving the integrity of your offline environment.
- Produktabmessung: 21.00cm x 19.00cm x 5.00cm (8.27 x 7.48 x 1.97) W, D, H
- Versandabmessung: 40.50cm x 29.70cm x 9.00cm (15.94 x 11.69 x 3.54) W, D, H
- Produktgewicht: 1.4kg (3.1lbs) approx.
- Versandgewicht: 2.8kg (6.1lbs) approx.
