### Produktinformationen "3232VS-XL"

The Lassen XL Series offers flexibility and adaptability to any application where saving space and costs are important. 3232VS-XL is a 32x32 composite video and analog balanced stereo Audio matrix switcher, available in a compact 3RU frame. 3232VS-XL also supports breakaway stereo audio switching whereby the Video, Audio Left and Audio Right can all be routed independently. It offers control via the front panel or remotely via RS-232 or Ethernet.
