Produktinformationen "VIA Campus"

VIA Campus offers industry leading collaboration and engagement tools that enhance interactive learning in Education and Corporate Training environments as well as supporting general wireless connectivity and collaboration for virtually any environment. From any laptop or mobile device, students, teachers or any in-room meeting participant can view the main display, edit documents together in real time, share any size file, turn the main display into a digital whiteboard, and more. VIA Campus can show up to six user screens on one main display or up to 12 screens on two displays. The solution features iOS mirroring for MacBook, iPad, iPhone, Chromebook, and Android mirroring (Lollipop OS 5.0 or newer). Remote students can easily join the class and collaborate in real time with embedded 3rd-party video conferencing and office apps.
